Payment Terms

A non-refundable registration fee of \$250.00 and your last month's tuition is due with your enrolment package. Please submit the two amounts with your enrolment package. The responsibility for parents or guardians for payment of all tuition fees for the full academic year is unconditional. No portion of fees paid or outstanding will be refunded or canceled in the event of absence, withdrawal or dismissal of any student from the school.

Parents must submit post dated cheques dated for the first day of each month for the academic period (September to June for grade school and September to August for kindergarten). Please submit your cheques by May 1st for the following academic year for current students. Cheques are due upon enrollment for new students. The single payment option is due by June 1st for the upcoming academic year. All NSF cheques are subject to a \$40.00 administration/banking charge. Kendellhurst offers a reduced rate of 10 % on full time, concurrent enrollments of second and additional children from the same parentage. The school reserves the right to expel, suspend or remove any student or parent that does not adhere to the school's Code of Conduct. If a student is suspended, expelled, removed or withdrawn there will be no rebate of fees.

If you require additional options for the grade school level (i.e. before and after school supervision or lunch) please add the appropriate amount to each post dated tuition payment. Short term additional options can be pre-arranged with the School Administrator if your circumstances change through the academic year. Late pick up after 6:00 PM will be charged according to daily supervision rates and are due on the first of the month.

Effective March 1st, 2016

Tuition fees are subject to change.
